ROWING LEVEL 

The tour called "La PELLE du Pied" allows rowers to discover the charming French Ardennes. As a short version of the "Meuse and its citadels" tour, the tour connects three rowing clubs: start from the Aviron Sedanais in Sedan, lunch at the club in Flize and arrival at the club in Charleville-Mézières. You will enjoy a unique stay on the water and banks of the river Meuse. Accompanying people can ride bikes to follow the rowers on the green trail "TransArdennaise".
