

24 SEPTEMBRE

1 DAY / 28 KM

ROWING LEVEL 

This tour is in the Beaujolais UNESCO Global Geopark area, renowned around the world for its wines and exceptional geological and natural diversity. You will sail the Saone from the Beauregard bridge up to the Montmerle bridge, passing on the way the Grange du Diable (Devil's Barn) and the ferryman's house before rowing along the villages of Port-Rivière and Belleville. Companions will be able to hike, bike or ride a horse along the rowers on the towpath.

 Saône, river

 recreational four-person sculling boats
