

8 OCTOBER

1 DAY / 40 KM

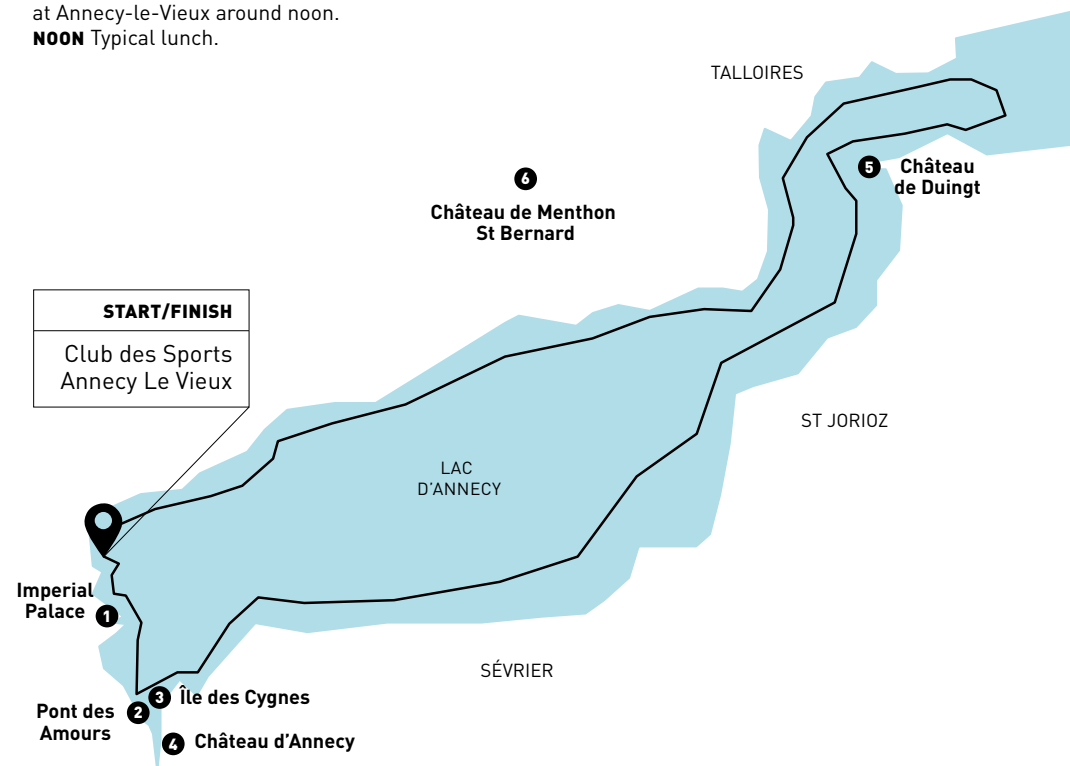

ROWING LEVEL 

The tour will take you around the Lake Annecy, one of the purest European lakes, surrounded by the Aravis and Bauges mountains which will wear gorgeous autumn colours. In addition to this natural landscape, you will admire numerous monuments, castles and manors along the way. You will row past the Impérial Palace, the Paquier esplanade, as well as the Swan island before reaching the old part of Annecy city and its castle. You will navigate on the left bank of the lake and past Semnoz, Sevrier, Saint-Jorioz, then the 11<sup>th</sup> century old Duingt castle standing on its peninsula. You will then row across the "small lake" to reach the right bank and head towards Angon, Talloires bay, the steep rocks near Chère, as well as the castle in Menthon Saint Bernard and at last Veyrier-du-Lac. Since this tour usually takes place on the day herds come down the pastures, you may enjoy many activities in Annecy.
