## THE THREE RIVERS IN AUTUMN

You were not able to come to the traditional rowing tour called "The three rivers" in spring? Never mind, the club offers you the opportunity to rediscover the Adour valley, its landscapes and the festive atmosphere of the South of the Landes region and Pays Basque in autumn. With a two-day route instead of three, you will see the three rivers with their lovely autumn colours. You will navigate on the joint Gaves and Bayonne; and on the river Adour between Peyrehorade and Bayonne; and on the Nive for a return rowing tour between Bayonne and Ustaritz.
